Sir,

Sub: - Issues of Pensioners - req.

The following issues of the BSNL Pensioners are brought to your kind notice for early redressal.

(1) 78.2% IDA Merger for BSNL Retirees:

It is more than one year that working employees in BSNL have been granted 78.2% IDA merger, actual payment w.e.f. 07.06.2013 and with notional fixation w.e.f. 01.01.2007. While this has been implemented, the fixation for BSNL pensioners are still to be ordered by DoT. The BSNL Management has to actively pursue with the DoT to get the agreement implemented and orders issued for grant of 78.2% IDA Merger for pensioners.

(2) Restoration of Medical Allowance (without voucher) to BSNL Pensioners.

BSNL Management, on the plea of financial difficulties had stopped the Medical Allowance without submission of voucher both to employees and pensioners. The pensioners who are in advanced age, are put to serious difficulties due to denial of the Medical Allowance. In the National Council, considering the acute difficulties of the pensioners, the Staff Side has unanimously demanded that at least the Medical Allowance to pensioners be restored.

It is requested that early orders be issued restoring Medical Allowance to Pensioners.

(3) Empanelling of reputed and specialty hospitals.

The pensioners require expert treatment due to their advanced age and multiple ailments. At present, many of the empanelled hospitals do not come up to this standard.

It is, therefore, requested that reputed and specialised hospitals in all cities be empanelled for treatment. The cashless medical treatment facilities also be favourable considered.

Thanking you,

Yours sincerely
