Dear Comrade,

### ***Two Days Relay Hunger Fast a Grand Success.***

The decision of Jamnagar CEC to organize post card campaign in the 3rd week of May 2015 and two days relay hunger fast before the CCA offices on July 21, 22 has been implemented successfully. This was mainly due to the importance of the twin demands (1) issue immediately the order on extending the benefit of 78.2% IDA merger to BSNL pensioners retired before 10.6.2013 and (2) Restore immediately the quarterly medical allowance to the BSNL pensioners. As per reports received from various circles, about 35000 post cards were written by the pensioners and sent to the Prime Minister. The two days relay hunger fast was a grand success with massive participation of pensioners in almost all circles. Reports have been received from Assam, North East I & II, West Bengal, Kolkatta, Chattisgarh, Madhya Pradesh, Gujarat, Rajasthan, Maharashtra, UP (W), UP (E), Andhra/Telegana, Karnataka, Tamil Nadu, Chennai Telephones and Kerala. In most of these Circles, the participation of pensioners was beyond the expectation of the organizers. CHQ congratulates all the comrades for making the struggle a grand success and historic.

#### ***78.2% IDA merger may be delayed further.***

Two strikes by the serving employees, one by the non executives on 27.11.2014 and two days strike by Forum of BSNL Unions/Associations on April 21,22,2015 the continuous struggle, of AIBDPA, significantly the Sanchar Bhawan march on 20.11.2014, a post card campaign in 3rd week of May 2015 and the discussion of Com VAN Namboodiri Advisor with the Communication Minister on 13.5.2015 helped a lot in finalization of the Cabinet note on 78.2% IDA merger. The Communications Minister approved the cabinet note on 9th June 2015 and subsequently the same was circulated to the four nodal departments. Now it is learnt that the Department of Expenditure after sleeping over the file for about two months is returning the file to DOT seeking further clarifications. This means further delay in the matter. It had been our experience that the bureaucracy in every department have tried their level best to delay the issue the maximum against which we had to intervene and launch agitations also. And because of this only we had to conduct the two days Relay Hunger fast on 21,22 July 2015, though the issue was approved by the Communications Minister. We shall continue to pursue the issue at appropriate level and think about further agitation, if required.
