Sir,

Sub: - **Pension Revision of BSNL absorbed DoT employees - req.**

While expressing our sincere thanks for the settlement of the 78.2% IDA pension fixation for BSNL retirees and cancellation of 60% condition, we wish to place before you another pending issue which is creating difficulties to the pensioners.

It is the problem of pension revision of BSNL retirees. Although the officials who retire get pension at half of their last pay, they do not get pension revision after the wage revision. For the government employees wherever there is a wage revision, pension revision is also made. But in the case of BSNL pensioners this is not done. After every wage revision, pension revision is much delayed as it has to go for Cabinet decision.

Since government has clearly stated that pension will be paid by government, a similar decision that pension revision will be made whenever wage revision is made with out going to Cabinet may be got issued.

An early decision in the matter will be much appreciated.

Thanking you,

Yours faithfully,
