Sir,

Sub: - **Continuing delay in processing and settlement of pension revision on 78.2% IDA fixation - req.**

Ref: - **This Association letter No. AIBDPA/DOT-CCA/2016 dated November 23, 2016.**

A kind reference is invited to our above referred letter and the discussion we had with you on 24.11.2016 and 03.02.2017. Despite your assurance that appropriate action will be taken to expedite the process in CCA offices, the situation continues to be far from satisfactory. The pensioners who had to wait for more than three years for the orders in this regard are further subjected to distress and frustration. In many circles, if the work goes in the present manner, we are afraid, the settlement may not be possible even after 30.06.2017.

In some of the circles, this association was compelled to launch local agitations against the undue delay and the lukewarm approach of the concerned authorities.

Therefore, sir, we seek your kind and effective intervention, so as to ensure that all the cases in this regard are settled at least by 30.04.2017.

Thanking you,

Yours sincerely

**[K.G. Jayaraj]
General Secretary**
