F.No.47-16/TA-II/PDA72016-17/

Dt: [] /08/2017

To,
All Pr. CsCA/CsCA

Sub: Preparedness of CCA offices for PDA functions:

To integrate the functions of pension processing, monitoring and direct payment, DoT HQs has now approved the development of the Comprehensive Pension Management System (CPMS). The Pr. CCA/CCA offices will shortly be authorised with the work of Pension Disbursement (PDAs) to disburse pension directly to the account of each pensioner. In order to ensure smooth transition/switch over to the CMPS (PDA) system, the following items of work is to be given utmost priority at your end to ensure readiness by 31.12.2017: -

- a) **Purification of PVA data** - 100% PVA data purification may be completed to avoid any fraudulent payment by DOT and total number of pension paid voucher received each month must be tallied with the data available in PVA software.
- b) Capturing of **Mobile number, Aadhaar number, PAN Number** of each pensioner by increasing awareness, writing to BSNL units/pensioners and educating them in Pension Adalat and holding campus meetings etc.
- c) Segregation of ceased/live pension cases in the PVA software.
- d) Cross tallying of total pension paid amount by banks & post offices with the total pension due amount calculated as per PVA software.
- e) **Simultaneously, verification of the service books of employees due to retire in the next 2 years** may be carried out on priority over and above the norms stipulated by DoPT and circulated earlier by this office to ensure correct processing of new pension cases.

This issues with the approval of Competent Authority.
