Sir,

Sub: - **Restoration of quarterly medical allowance to retired BSNL employees- request for one more chance for Option to avail the facility - req.**

Ref: - **BSNL CO order No.BSNL/Admn.1/15-22/14 dated April 11, 2017.**

The quarterly medical allowance was restored vide order referred to above to the retired BSNL employees from 01-04-2017, initially for two quarters and is being extended further for which decision reported to have been taken by the management.

As we had already brought to your notice, the implementation was much delayed due to various reasons. We have got reports from certain circles like Kerala that a good number of retirees have not yet submitted the option to avail the facility as they were not aware of the new order being at far off and remote places. Another section of the retirees have revised their Option to avail the reimbursement with voucher assuming that it is limited to only two quarters . Those who have retired after the date of the orders have not been given a chance to exercise their option.

In these circumstances, it is requested that action may please be caused to extend another opportunity to give fresh option and to change the option already given so that they could avail the facility. It is also requested that the retiring officials may be given the opportunity to exercise fresh Option on retirement.

Thanking you,

Yours faithfully,

**K.G.Jayaraj  
General Secretary**
